JANUARY—DECEMBER 1948

Subject Index

AERIAL PHOTOGRAPHY
Soil patterns studied in course 399
See also Surveying and Mapping

AIRPORTS
"Bituminous Subsealed Concrete Pavements Withstand Accelerated Traffic Tests" 364
CAA terminology reported 599
Cooperation between airport and aircraft designers stressed at Automotive Engineers meeting 54
"Cross-Wind Landings Promote Use of Single-Strip Airports" 295
Delta Airlines new headquarters in Atlanta, Ga. 56
"Full-Scale Research Advances Design of Rigid Pavements for Heavy Wheel Loads," Robert R. Philippe 84
Discussion by Walter C. Carey . . . 304
Closure by Robert R. Philippe . . . 304
"Grass Stabilizes Sand on 4,900 Acres of New York's Idlewild Airport" 22
Idlewild opens for limited use 534
Jet-heat effect on pavements 537
"Mammoth Earthmoving Job Features San Francisco International Airport Construction," O. H. Tucker, Jr. 518
"Method Simplifies Land-Leveling Operation," Leon S. Stanley 168
Needs set for next three years 395
New air defense group proposed 469
"New York Port Authority Administers $200,000,000 Airport Program" 17
N.Y. Port Authority exhibit 602
Navy tests flexible-type pavement 802
"Philadelphia Conducts Extensive Subsurface Exploration Prior to Airport Expansion," Elgin W. Scott, Jr. 96
Rochester, N.Y., airport extended 57
"Static Load, Not Impact, Determines CAA Design Standard for Airports" . . . 584
"Super Compactor Cuts Airport Construction Costs" 141
Discussion by O. J. Porter 652
Super-strength concrete runways 720
World's brightest lights at Idlewild . . . 720

ALUMINUM
"All-Aluminum Highway Bridge to Span Saguenay River in Canada" 644
"Aluminum Units Accelerate British School Construction Program" 372
Construction industry is top consumer . . 187
Production tops peacetime record 116
Progress shown in color motion picture . . 400
Used in Aluminum Co. of America plant . 325

AMERICAN SOCIETY FOR ENGINEERING EDUCATION
Annual meeting addressed by S. S. Steinberg 529
Committee to aid young teachers 385

AMERICAN SOCIETY FOR TESTING MATERIALS
Annual meeting in Detroit 535
Committee-week sessions 325

AMERICAN SOCIETY OF CIVIL ENGINEERS
Awards
Announced by Board for 1948 714
Daniel W. Mead entries due soon . . . 247
Daniel W. Mead Prizes announced . . . 656
Daniel W. Mead Student Prize awarded 44
Daniel W. Mead Student Prize to F. J. Kersnar 786
Freeman Fund Committee named . . . 459
Freeman Traveling Fellow, George F. Dixon, discusses European harbor installations 244
J. Waldo Smith Fellowship available . . 457
John Fritz Medal to C. M. Allen . . . 715
Medals and prizes awarded at 1948 Annual Meeting 32
"Society Prizes Spur Engineers to Greater Effort in Technical Writing," Sydney Wilmot 386
Ballots for Officers
Final ballot for 1948 officers canvassed . 111
First for 1949 officers 594
Second for 1949 officers 715
Board of Direction
Actions at Meeting Oct. 11, 12 708
Actions at Seattle Convention 526

Issue	Page Numbers
January	1–68
February	69–138
March	139–210
April	211–272
May	273–340
June	341–416
July	417–482
August	483–552
September	553–618
October	619–674
November	675–742
December	743–314

Minutes of January meetings 178
Practice policy item corrected 250
Report of meeting April 5 and 6 307
"Statement of Policy" on public engineering practice 315
Discussed by J. E. Mandry 588
Budget
Board of Direction adjusts 316
Further economies instituted 711
CIVIL ENGINEERING
Walter E. Jessup replaces Donald D. King as editor; R. K. Lockwood, assistant editor 786
Collective Bargaining
NLRB directive on bargaining freedom sought 592
Committees
Committee on Construction Engineering Education issues report . . . 787
Committee on Cost Allocation for Multiple-Purpose Water Projects prepares tentative report 595
Committee on Engineering Education to aid young teachers 385
Committee on Engineering Education reports available 657
Committee on Hydraulic Research outlines program 655
Committee on Salaries publishes final report 657
Committee on Salaries recommendation for rating of teachers put in practice . 785
Committee on Technical Procedure meets 593
Consultants Recommended by
To solve Detroit water supply problem . 247
Directors
Joel D. Justin made officer of Commission on Large Dams 108
Districts and Zones
Local Sections study proposed changes . 246
Dues, Constitutional Amendment re
Advocated by 26 Sections 176
Annual address of R. E. Dougherty . . 590
Ballot authorized at Seattle Convention 528
Ballots circulated 590
Discussion of by Charles W. Yoder . . 779
First 1948 petitions received 179
Increase recommended by Director Greeley 455
Notice mailed 457
Petitions signed in all Zones 250
"Society's Economic Status Analyzed," R. E. Dougherty 525
Education
New edition of *A Brief Bibliography on Engineering as a Career* 387
Employment
Student program urged by committee . 456
Executive Secretary
Addresses Seattle Engineers Club 527
Speaks on ERP program before Pittsburgh Chamber of Commerce 306
Films
Hydraulics films made available 246
Honorary Members
Board of Direction elects five 713
Four inducted in 1948 36
Joint Activities
AGC representatives at ASCE headquarters 456
Joint committee formed with AGC . . . 596
Juniors
"Well, Young Man," editorial 246
Life Members, certificates awarded to 236 . 110
Local Sections
California joint conference of four . . . 175
California Sections' Fresno Conference . 381
California Sections hold conference . . . 248
D. C. Section committee on cooperation with Technical Divisions 46
D. C. Section honors Chandler 456
Fresno Conference photo 459
Illinois opens membership drive 248
Indiana Section publication urges support for "Loyalty Fund" 106
Mid-South plans two-day fall meeting . 658
New England Sections meet with Worcester Society of Civil Engineers . . . 388
Spokane to have branch at Richland, Wash. 711
Texas Section addressed on parking problem 122
Texas Section honors retiring secretary Focht 43
Venezuelan Section activities 455
See also "News of Local Sections" in each issue
Meetings
Annual Meeting (1949) program 743
Annual Meeting keynoted by Panama Canal Symposium 1
Annual Meeting papers summarized . . 69
Annual Meeting reviewed 105
Business meeting to be held Oct. 1 . . . 593
Boston Fall Meeting program 553
Boston Fall Meeting preview 654
Boston Fall Meeting reviewed 707
Boston technical sessions reviewed . . . 675
Jacksonville Fall Meeting, Mr. Wagner's cooperation with newsmen at, discussed by Eller and Massey 29
Pittsburgh Spring Meeting announced . 109
Pittsburgh Spring Meeting program . . 139
Pittsburgh Spring Meeting preview . . 249
Pittsburgh Spring Meeting review . 311, 313
Pittsburgh technical sessions summarized 273
Seattle Convention address by Eugene L. Grant 529
Seattle luncheon address by Paul J. Raver 527
Seattle Convention preview 309, 457
Seattle Summer Convention program . . 341
Seattle technical papers reviewed . . . 483
Members
Honored for war service 469
Membership
"Professional Affiliation" editorial . . . 175
"Why Join the ASCE?" 454
Discussion by Boleslaw A. Hupczyc . 653
Membership Certificate
"Who Is He?" (figure on certificate) . . 177
Discussion by Charles W. Dohn . . . 453
Discussion by Leon G. Cutler 453
Membership Grades
Changes favored, questionnaire shows . . 40
Changes in recommended by committee 316
Results of questionnaire tabulated . . . 595
National Defense
Questionnaire shows need for greater utilization of engineers' skills 247
Nominees
Biographies of, for office in 1949 781
Officers
Past-President Hastings in China . . . 454
Policy
On use of engineers employed by units of government 176
"Statement of Policy" on public engineering practice 315
Discussed by J. E. Mandry 588
President
Annual Address at Seattle 525, 590
Franklin Thomas nominated 713
R. E. Dougherty inaugurated 104
PROCEEDINGS
"Discussers Can Help Increase Content of PROCEEDINGS," Shortridge Hardesty 785
Publicity
Jacksonville Fall Meeting, Mr. Wagner's cooperation with newsmen at discussed by Eller and Massey 29
Salary Schedule
Teachers placed in ASCE Compensation Schedule 108
Staff
E. L. Chandler made Assistant Secretary 306
J. E. Jagger resigns 179
Richard J. Murphy joins advertising staff of C.E. 657
See also CIVIL ENGINEERING
Student Chapters
Metropolitan employment program . . . 460
Twelve spring regional conferences . . . 382
See also "Student Chapter Notes" in each issue

Technical Divisions
Highway Division committee's survey of highway engineer shortage . . . 386
Sanitary Engineering's new Committee on Fundamental Considerations in Rates and Rate Structures for Water and Sewage Works . . . 308
TRANSACTIONS
Cumulative index distributed . . . 715
Index included in ASCE bills . . . 39
Reprints available . . . 180
"Serves as Nucleus for the Civil Engineer's Library," Harold T. Larsen . . . 39
Vol. 113 issued . . . 787
Voluntary Contributions Fund
Indiana Section publication urges support for . . . 106
"Voluntary Contributions," editorial by W. N. Carey . . . 780

AMERICAN SOCIETY FOR TESTING MATERIALS
Names ASCE men for officers . . . 469

AMERICAN STANDARDS ASSOCIATION
Admiral Hussey made administrative head . . . 120

AQUEDUCTS
Delaware Aqueduct tunnel holed through . . . 794

ATOMIC ENERGY
Importance of engineering skills in . . . 471
"Los Alamos—The Town the Atom Is Building," William N. Carey . . . 436
To be studied by MIT students . . . 322

AWARDS
Alfred Noble Prize to mining engineer . . . 40
ASCE men honored for war service . . . 469
Boston Engineers' Society announces Freeman scholarship . . . 387
Hoover Medal to Malcolm Pirnie . . . 780
Marston Medal to Roy W. Crum . . . 456
Milo S. Ketchum Award to James Chinn . . . 458
Moles' award ceremonies . . . 57
Moles' award dinner . . . 187
Moles' 1949 awards . . . 792
Washington Award to Ralph E. Flanders . . . 108
See also Fellowships, Welding

BEACH CONTAMINATION
"Los Angeles' $41,000,000 Hyperion Project Ends Beach Contamination," Lloyd Aldrich and H. G. Smith . . . 418

BEACH EROSION
"Field Research Groups Provide Data for Design of Shore Protection Structures" . . . 363
"Hindcasting Technique Provides Statistical Wave Data," Wayne V. Burt and J. F. T. Saur, Jr . . . 773

BEAMS
Deformation of discussed by D. B. Hall . . . 378
"More Exact Analysis Proposed for Continuous Beams Over Flat Supports," A. Floris . . . 301
Discussion by Meyer Hirschthal . . . 453

BID PRACTICE
Federal agencies unify opening dates . . . 535
"Unit-Price Bid Forms Protect Owner, Contractor and Engineer," R. B. Rothschild . . . 500

BRIDGES
AISC presents awards . . . 721
"All-Aluminum Highway Bridge to Span Saguenay River in Canada" . . . 644
Brooklyn Bridge discussed by Theodore Belzner . . . 379
Brooklyn Bridge modernization . . . 662
"Deep Caisson Piers Support New Memphis Highway Bridge" . . . 13
"Frequency Factor Is Applied to Highway Bridge Live-Load Stress Computations," Clarence D. Bowser . . . 587
"Navy Pontoon Cubes Form Sturdy Structure on Manus Island" . . . 423
"Plans Advanced for New Suspension Bridge (Kingston-Rhinecliff) Across Hudson" . . . 643
"River Serves as Right-of-Way for Rapid Transit Railroad" . . . 445
"Roller Bearings Support World's Largest Bascule Bridge" . . . 151
Suspension bridge serves wood stacker . . . 400
Discussion by H. Kent Preston . . . 524
"Suspension Bridge Supports 1,500-Ft Belt Conveyor on 19-Deg Incline" . . . 651
Ten-year service record for double-track ballast-type bridge . . . 322
"Toll Bridge Authority Directs Construction of Two New San Francisco Bay Crossings," Ralph A. Tudor . . . 504
Two San Francisco Bay crossings recommended . . . 118
"U.S. Army Engineers Reconstruct German Superhighway Bridges," Werner H. Gumpertz . . . 440

BUILDING CODES
"Good Building Codes—Properly Administered—Assure Public Safety," C. G. Cappel . . . 9
National code soon to be published . . . 54
Uniform Code for Small Jurisdictions . . . 57

BUILDINGS
"Aluminum Units Accelerate British School Construction Program" . . . 372
"Arch Roof Construction Provides Large Column-Free Area" . . . 19
"Australia Follows Master Plan in Developing Federal Capital at Canberra," George S. Boris . . . 290
Bids opened on veterans' hospital . . . 722
"Concrete Prismatic Shell Reinforces 85-Year-Old Brick Church Tower," A. Roger Kelly . . . 690
Face-lifting job on cast-iron structure . . . 396
"Ground-Assembled Forms Cast 312 Monolithic Exterior Columns" . . . 7
"Hospital Construction for Leper Colony Presents Many Engineering Problems," John W. Greenleaf, Jr. . . . 685
Industrial building declines . . . 116
Innovations in skyscraper construction . . . 260
"Insulated Precast Concrete Wall Panels Prove Economical Substitute for Brick," Charles H. Topping . . . 578
"A Look Into the Future of the Building Construction Industry," J. P. H. Perry . . . 152
New Madison Square Garden . . . 537
"New 20-Acre Plant Cuts Turbine-Generator Production Time" . . . 220
Parking garage at Brooklyn-Battery Tunnel entrance . . . 661
Private building industry's record . . . 259
"Quickly Constructed Quonsets Provide Eight-Acre Laboratory for Atomic Research" . . . 689
School building needs estimated . . . 400
See also Housing and Laboratories

CAISSONS
"Deep Caisson Piers Support New Memphis Highway Bridge" . . . 13
"Progress of Work on Brooklyn-Battery Tunnel Indicates Early Completion Date" . . . 558

CANALS
"Court Denies Recovery of Increased Dredging Costs (on Cape Cod Canal) Caused by Hurricane," De Witt C. Webb . . . 89
"Mechanical Trimmer and Slip-Form Expedite (Delta-Mendota) Canal Lining Operations," R. H. Heitman . . . 634
"Panama Canal Symposium to Keynote ASCE Annual Meeting in New York" . . . 1
Pennel etching of Panama locks . . . 539
"Proposed Allegheny-Genesee Waterway Links Vital Inland Water Systems," C. Edward Long . . . 574
Reprints of Panama Canal symposium . . . 316
"Scheme Utilizes Rails to Transport Ocean Liners Across Tehuantepec Isthmus" . . . 520
Sea-Level Panama Canal subject of papers at ASCE Annual Meeting . . . 69

CEMENT
New labs for Portland Cement Association . . . 323
"Two Decades of Service Prove Structural Soundness of High Early Strength Cement" . . . 236

CITY PLANNING
"Australia Follows Master Plan in Developing Federal Capital at Canberra," George S. Boris . . . 290
Betterment of New York is meeting subject . . . 397
Businessmen's Conference on Urban Problems . . . 598, 792
"Mapping Proves Economical Expedient in Planning Growth of Large Cities"
Cleveland Regional Geodetic Survey Provides Control for 450-Sq Mile Area," G. Brooks Earnest . . . 754
"Geodetic and Topographic Survey of Pittsburgh Records Physical Facts Needed by Planners," Charles B. Taylor . . . 757
"Photogrammetric Methods Cut Time and Costs of City Surveys," Virgil Kauffman . . . 759
Philadelphians approve program . . . 397
Philadelphia improvement program issued . . . 263
Philadelphia improvements approved . . . 470
Prizes in community planning contest . . . 599
Suburban shopping center in circular plan . . . 188
Washington, D.C., attacks congested areas . . . 118

CIVIL SERVICE
See Employment

COFFERDAMS
"Century of Progress Marks Many Improvements in Construction of Locks and Dams," Carl B. Jansen . . . 628
Crane sets Allatoona cofferdam piling . . . 663

COLLECTIVE BARGAINING
Canadian labor law exempts engineers . . . 602
Pacific Coast group convenes . . . 250
See also ASCE, Collective Bargaining

COLUMNS
"Critical Collapsing Load for Columns of Variable Cross Section," Ross Laurenson and R. V. Bremer . . . 24
Discussion by C. J. Posey . . . 37
Engineering Foundation contributes to research on . . . 594
"Formulas Simplify Design of Concrete Columns Under Axial Load and Skew Bending," Carl C. H. Tommerup . . . 705

CONCRETE
"Arch Roof Construction Provides Large Column-Free Area" . . . 19
Baha'i Temple features ornamental use . . . 117
"Brackish Water Not Harmful in Concrete Mix, Navy Study Shows" . . . 637
"Concrete Prismatic Shell Reinforces 85-Year-Old Brick Church Tower," A. Roger Kelly . . . 690
"Design of Steel-Lined Concrete Pressure Conduits," D. B. Gumensky, P. F. Chu . . . 706
"Ground-Assembled Forms Cast 312 Monolithic Exterior Columns" . . . 7
Indicator shows air entrained in . . . 327
"Insulated Precast Concrete Wall Panels Prove Economical Substitute for Brick," Charles H. Topping . . . 578
"Modern Design Practice and Rigid Controls Produce Sound Concrete in Ross Dam," H. F. Faulkner . . . 562
"Particle Size of Dispersed Carbon Black Affects Entrainment of Air in Concrete," F. J. Mardulier . . . 165
"Precast Concrete Units Simplify Construction of West Coast Marine Structures," Ben C. Gerwick . . . 512
Requirements for aggregates . . . 327
"Rotary Drill Makes Fast Work of Concrete Core Boring Job" . . . 270

CONFERENCES
See Meetings and Conferences

CONSTRUCTION

Construction Cost
"Accurate Cost Control Systems Ensure Economical Construction Operations," A. O. Babb (Aug. 1947)
Discussion by A. J. Grier . . . 25
Discussed at Public Works Congress . . . 71
Effort to curb building costs . . . 46
Higher in Europe than in U.S. . . . 39
Steady advance noted . . . 72

Construction Equipment
Associated Equipment Distributors convention . . . 25
"British Convert Airfield Paver to Highway Use" . . . 23
Business at high level . . . 46
"Conveyor Belt Hauls Aggregate 7 Miles to Bull Shoals Dam" . . . 63
"Crane with 80-Ft Reach Places Forms on Airport Project" . . . 77
"Dipper Handles 40 Cu Yd at 120-Ft Range" . . . 1
Dynamometer tests horsepower needs of . . . 30
High-speed friction saw . . . 72
"Improvised Equipment Makes Rail Pulling Profitable" . . . 6
"Job Success Depends on Wise Use of Equipment" . . . 27
"Mechanical Trimmer and Slip-Form Expedite (Delta-Mendota) Canal Lining Operations," R. H. Heitman . . . 63
"New Machines and Methods Set Fast Tempo for Pipe-Laying Operations" . . . 2
"On-the-Job Equipment Maintenance Cuts Overhead Costs" . . . 1
Power crane removes cupola . . . 1
"Quarter Million Yards of Dirt Moved in Less Than 48 Hours" (Peoria, Ill.) . . . 3
"Radio-Telephone Enters Heavy Construction Field" . . . 3
Shown at British Industries Fair . . . 2
"Super Compactor Cuts Airport Construction Costs" . . . 6
Discussion by O. J. Porter . . . 6
Suspension bridge for wood stacker . . . 5
Discussion by H. Kent Preston . . . 5
"Suspension Bridge Supports 1,500-Ft Belt Conveyor on 19-Deg Incline" . . . 6
Tractor model at Road Show . . . 6
Truck cranes team up for six-story lift . . . 6
"Truck-Drawn Machine Smooths and Finishes Concrete Pavement" . . . 6
Utilized in Florida treasure hunt . . . 6

Construction Industry
Baltimore District Engineer has conference with contractors . . . 2
Building methods inadequate for war, AGC convention told . . . 2
"Close Relationship Between Engineers, Contractors Is Stressed," Carlton S. Proctor and D. W. Winkelman . . . 2

Construction Industry Advisory Council meeting in Washington, D.C. . . . 44
Construction Roundup . . 322, 467, 662, 723, 800
Construction Superintendents' new officers . 260
Continued improvement in inventories . . . 321
"Court Clarifies 'Bona Fide Residence' for Income Tax Purposes" 517
"Income Tax Requirements Affect Foreign Service of American Engineers," E. H. Lang (Oct. 1947)
Discussed by Ernest F. Robinson . . . 102
Institute for General Contractors at University of California 399
"A Look Into the Future of the Building Construction Industry," J. P. H. Perry . 152
Progress detailed by Construction Industry Information Committee 324

Construction Procedure

"Accelerated Highway Program Calls for New Design and Construction Techniques," Day Okes 346
"Gantries Move Forms in Assembly-Line Construction of Flood Wall" 646
Heavy transformer placed without crane . . 471
"Job Built Rig Jacks 123-Ft Length of 36-In. Pipe Under Railroad Right-of-Way," Robert E. Snetzer 572
"Man Against Rock" film available . . . 606
"Methods Used in Exploiting India's Water Resources," Lorenz G. Straub 702

Construction Volume

Activity in 1947 tops 1946 186
Continued increases in reported 792
Continued increases noted 719
Expected to top 1947 by 13 percent . . . 53
40 percent increase over 1947 535
Increases in first half of year 598
Industrial building declines 116
Materials production may break record . . 186
"New Construction Activities Compared on 1939 Price Basis" 429
Output meets demand in several lines . . 470
Public works contracts increase 116
Reaches record high 660
Rise in east of Rockies 661
Steady increase reported 395
Strong seasonal upturn 467
Up 8 percent in 1947 256

CONTRACTS

"Unit-Price Bid Forms Protect Owner, Contractor and Engineer," R. B. Rothschild, Jr. 500

CORROSION

"Cathodic Protection of Steel Underground Structures Demonstrated by Tests" . . . 511

DAMS

Alberi Falls project recommended by Corps of Engineers 116
Belton Dam site chosen 796
Benbrook Dam contract let 796
"Cantilever Steel Forms Expedite Work on Bull Shoals Dam" 95
"Century of Progress Marks Many Improvements in Construction of Locks and Dams," Carl B. Jansen 628
"Earthfill (Medicine Creek) Dam Will Help Control Nebraska's Flash Floods" . 159
"Economy in Materials Handling Features Bluestone Dam Construction," Orval Auhl 352
"Extensive Earthfill Dams (Barker and Addicks) Remove Threat of Severe Floods at Houston, Tex." 627
"Field Tests Indicate Best Procedure for Unwatering of Davis Dam," A. H. Ayres 490
"First Major Unit in Missouri Basin Plan Begins Operation" (Kanopolis Dam) . . 428
"Grouted Gravel Fill and Precast Slabs Provide New Face for Barker Dam," Raymond E. Davis, E. Clinton Jansen, W. T. Neelands 78
Discussion by Homer M. Hadley . . 242
"Highest Earth Dam (Anderson Ranch) Nears Completion" 211
"Modern Design Practice and Rigid Controls Produce Sound Concrete in Ross Dam," H. F. Faulkner 562
Morgantown Dam started 662
"New Unit Increases Generating Capacity at Grand Coulee Dam" 345
"Oahe Dam, Third Unit in Pick-Sloan Plan, Placed Under Construction" 698
"Planning the Watauga Project," George K. Leonard and Don H. Mattern . . . 142
"Regulation of Northwest's Major Rivers Is Aim of Broad Flood Control Plan," O. E. Walsh 748
Reusens, Va., dam flame cleaned 600
"Rock Riprap Replaces Porous Concrete Slope Protection at Santee-Cooper Project," Henry H. Jewell 2
Discussion by L. F. Harza 171
Closure by Henry H. Jewell 303
"Uruguay's Rincon del Bonete Project Supplies Country's First Hydro Power," Luis Giorgi 14
"Work Progresses on 13,000,000-Cu Yd Earthfill Harlan County Dam" 701
See also TVA

DRYDOCKS

"Precast Concrete Units Simplify Construction of West Coast Marine Structures," Ben C. Gerwick 512

DRAINS

"Sand Drains Save $750,000 in Marshy Section of New Jersey Freeway" 6

DREDGING

"Court Denies Recovery of Increased Dredging Costs (Cape Cod Canal) Caused by Hurricane," De Witt C. Webb 89

DRILLING

"Rotary Drill Makes Fast Work of Concrete Core Boring Job" 276

EARTHMOVING

"Mammoth Earthmoving Job Features San Francisco International Airport Construction," O. H. Tucker, Jr. 518
"Quarter Million Yards of Dirt Moved in Less Than 48 Hours" (Peoria, Ill.) . . . 367
See also Construction Equipment

ECONOMICS OF ENGINEERING

Discussion of German situation by Joseph D. Lewin 589
Overseas Consultants, Inc., studies Iran conditions 802

EDUCATION

American Society for Engineering Education discusses postwar teaching problems 61
Bob Jones campus completed in one year . 61
Cooper Union manual on 541
Dean Thorndike Saville recommends new curricula 196
Enrollment in U.S. colleges doubled . . . 262
Foreign students invited for training course 719
Future of applied mathematics discussed by Mario Salvadori 303
Harry S. Rogers addresses Inter-Professions Conference on Education for Professional Responsibility 395
Illinois Institute of Technology enlarges campus 126
Information on scholarships and grants . . 802
Inter-Professions Conference on Education for Professional Responsibility 188
Iowa State building for atomic research . . 404
New York Engineers Committee on Student Guidance carries on work 56
Newark College starts building program . . 128
Overproduction of engineers not likely says Columbia Dean 126
Pre-engineering inventory test scheduled . 400
Pre-engineering training in liberal arts colleges advocated by Arthur G. Hayden . . 128
Scholarship information compiled 474
Siamese students leave U.S. 599
Students attend IIT surveying camp . . . 473
Summer surveying camps discussed by Milton O. Schmidt 245
Transportation Institute at California University 404
See also Engineers Council for Professional Development, Fellowships, Welding, and departments "Student Chapter Notes" and "New in Education," in each issue

EMPLOYMENT

California needs airport engineers 260
California tests for supervising engineer . . 538
Civil Service exams in N.Y. State 325
Civil Service exams for soils engineers . . . 400
Civil Service positions open 188
Corps of Engineers vacancies 325
Department, "Positions Announced" started in September 1948 issue of CIVIL ENGINEERING 600
EJC employer practice supplemental report available 179
Engineers needed by Bureau of Reclamation 54
Highway engineer shortage laid to low pay and insecurity 386
"Industry Increases Demand for Sanitary Engineers," Edmond T. Roetman . . . 92
Milwaukee needs structural engineers . . . 400
Navy seeks employees for California research 323
N.J. Highway Department vacancies . . . 186
Positions in State of Washington 663
Study of apprentice needs in skilled trades . 117
U.S. Public Health Service vacancies . . 259, 325
Vacancies on federal and state staffs . . . 260
Waterways Experiment Station needs engineers 118
See also department "Positions Announced"

ENGINEERING FOUNDATION

Column research approved by ASCE . . . 594
Concrete Council formed by 656
Officers elected 786
Sponsors concrete studies 528
Welding Research Council sponsors college research 388

ENGINEERING SOCIETIES LIBRARY

Announces new service rates 399
Director attends Special Libraries Association meeting 402
Has busiest year, survey shows 43
Papers filed in 459

ENGINEERING SOCIETIES PERSONNEL SERVICE

Appoints Chicago office manager 593

ENGINEERS AND ENGINEERING

AIA president stresses cooperation between engineers and architects 42
Chi Epsilon honors two engineers 325
Chicago engineers to have center 118
Engineer-architect relations discussed by Eric Fleming 30
Engineering in China discussed by E. C. Stocker 173
Engineering Progress Show in Philadelphia . 55
"Engineers' Week" in Oklahoma 187
Who's Who in Engineering issued 258

ENGINEERS' COUNCIL FOR PROFESSIONAL DEVELOPMENT

Annual report available 541
Canon of Ethics adopted by ASCE Board of Direction 312
Canon of Ethics available 454
Meeting sponsored by Engineering Institute of Canada 45
Officers elected 786
Pre-engineering tests win approval 40

ENGINEERS JOINT COUNCIL

Advisory committee on UNESCO 175
"Analysis of EJC Report, 'The Engineering Profession in Transition,'" John Girand . 41
Discussion by A. S. MacGregor . . . 174
Discussion by F. H. Kellogg 242
Discussion by Charles S. Moore . . . 452
Asks highest use of engineers in draft . . . 310
Economic Status report still available . . . 246
Employer practice report available 179
Engineering representation in government discussed at meeting 710
Entertains Brazilian engineers 710
Fosters professional understanding 657
Reconstitutes Labor Legislation Panel . . 787
Science Foundation Bill urged 109
Sponsors *The Engineering Societies Yearbook, 1948* 308
Steinberg represents at Bogota Conference 592

EROSION

Relation to flood control discussed by John R. Haswell 378

ETHICS, CODE OF

See Engineers Council for Professional Development

FEES

See Salaries and Fees

FELLOWSHIPS

Reestablished at MIT 665
Yale offers in traffic engineering 326

FINANCING

Long-term financing discussed by George O. Consoer 453

FIRE PROTECTION

"Air Conditioning and Blank Walls Introduce New Fire Problems," R. C. Corson 557
Building shortages emphasize importance of 468

FLOOD CONTROL

"Deferred Maintenance Endangers Sea Wall on China's Chien Tang River," Arnold N. May 694
"East Meets West in Controlling China's Yellow River," Oliver J. Todd 638
"Extensive Earthfill Dams (Barker and Addicks) Remove Threat of Severe Floods at Houston, Tex." 627
"Gantries Move Forms in Assembly-Line Construction of Flood Wall" 646
Green River, Wash., project recommended . 472
One-man project 796
Recent Rio Grande floods discussed by L. M. Lawson 588
"Regulation of Northwest's Major Rivers Is Aim of Broad Flood Control Plan," O. E. Walsh 748
Relation of erosion to discussed by John R. Haswell 378
River to drain England's Fens 259

FLOORS

Pamphlet on concrete floors 728
See also Buildings

FLUID MECHANICS

ASCE Local Sections sponsor conference on 315
"Experimental Model Presages Country's Largest Water Tunnel" 429
See also Hydraulics

FORMS

"Cantilever Steel Forms Expedite Work on Bull Shoals Dam" . . . 95
"Ground-Assembled Forms Cast 312 Monolithic Exterior Columns" . . . 7

FOUNDATIONS

"Charts Facilitate Determination of Stresses Under Loaded Areas," Hamilton Gray and Ira J. Hooks . . . 373
"Is Field CBR Test Adaptable to Granular Subgrades and Bases?" Harry R. Cedergren . . . 449
"Pile Tests for Design and Construction Economy," H. B. Thornley . . . 568

GEODESY

Union of Geodesy and Geophysics elects officers . . . 723

GRADE SEPARATIONS

"Careful Scheduling of Operations Expedites Construction of Railroad Underpass," S. L. Fuller . . . 769
"Downtown Interchange Will Carry Traffic Through Congested Pittsburgh Triangle," George S. Richardson . . . 764
"Virginia Constructs Triple-Decker Rail-Highway Grade Separation" . . . 376

MATHEMATICS

"Angle Trisected by Graphical Methods," James B. Goodwin . . . 3
Discussion by Victor R. Bergman . . . 12
Discussion by Leonard C. Jordan . . . 17
Discussion by John O'Farrell . . . 17
Discussion by G. F. Ramirez . . . 17
Closure by James B. Goodwin . . . 20
Discussion by Francis E. Simpson . . . 21
"Electrical brain computes graphs . . . 3
Future of in engineering discussed by Mario Salvadori . . . 30
"Graph Solves Cubic Equation When Cardan's Formula Fails," William Russell Davis . . . 10
Discussion by N. A. Carle . . . 17
Discussion by H. Herbert Howe . . . 17
Discussion by Francis E. Pray . . . 62
Discussion by James B. Goodwin . . . 72

MEETINGS AND CONFERENCES

AAAS plans centennial celebration in Washington, D.C. . . . 68
Applied Mechanics Congress in London . . . 17
ASCE representative to Seventh International Congress for Applied Mechanics . . . 36
ASCE represented at soils and large dams conferences . . . 36
ASCE members attending European conferences meet on Riviera . . . 36
County Engineers Conference at Iowa State . . . 16
Group travel for world soil mechanics conference . . . 19
First Pan-American Engineering Congress scheduled . . . 36
International Mechanical Engineering Congress in Paris . . . 40
Pan American Convention recommended at Lima . . . 36
See also department, "Meetings and Conferences" in each issue

MILITARY ENGINEERING
Exploits of British engineers recorded . . 475
"Navy Pontoon Cubes Form Sturdy Structure on Manus Island" 423
Underground military structures discussed by Leroy M. Hersum 305

NATIONAL DEFENSE
Army studies utilization of engineers' skills. 314
Economic mobilization studied 802
Highest use of engineers' skills asked by EJC 310
National Guard armories designed 257
Questionnaire shows need for greater utilization of engineers' skills 247
Relocation of industry advised 661
Research and Development Training Group organized 796

NATIONAL SAFETY COUNCIL
Films available. 664

NAVIGATION
"Century of Progress Marks Many Improvements in Construction of Locks and Dams," Carl B. Jansen 628

OCEANOGRAPHY
"Hindcasting Technique Provides Statistical Wave Data," Wayne V. Burt and J. F. T. Saur, Jr. 773

OIL-DRILLING CONSTRUCTION
"Oil Companies Adopt Welded Steel Housing" 503
"Steel H-Piles and Pipe Bents Support Deep-Water Drilling Platform," C. Glenn Cappel 446

OUTFALLS
"Precast Reinforced Concrete Sewer Tunnel Lining Provides Sound, Economical Structure," A. M. Freudenthal 292

PANAMA CANAL
See Canals

PARKING
"Parking Facilities in Existing Buildings Offer Solution to Downtown Parking Problem," O. S. Willumsen 521
Problems cause tax and revenue losses . . 122

PARKS
"Quarter Million Yards of Dirt Moved in Less Than 48 Hours" (Peoria, Ill.). . . . 367

PAVEMENTS
"Bituminous Subsealed Concrete Pavements Withstand Accelerated Traffic Tests" 364
"Full-Scale Research Advances Design of Rigid Pavements for Heavy Wheel Loads," Robert R. Philippe 84
Discussion by Walter C. Carey. . . . 304
Closure by Robert R. Philippe 304
Tested for skid characteristics 56
"Truck-Drawn Machine Smooths and Finishes Concrete Pavement". 571
See also Airports

PILING
"Concrete Caps Protect H-Beam Piles Against Corrosion" 295
"Pile Tests for Design and Construction Economy," H. B. Thornley 568
Shortage of in Ancient Egypt 399
"Steel H-Piles and Pipe Bents Support Deep-Water Drilling Platform," C. Glenn Cappel 446

PIPE
"Heating System Frees Hangar Entryway of Snow and Ice" 289
"Job-Built Rig Jacks 123-Ft Length of 36-In. Pipe Under Railroad Right-of-Way," Robert E. Snetzer 572
"New Machines and Methods Set Fast Tempo for Pipe-Laying Operations" . . 20
"Pipe Sizes Reflect Engineering Knowledge of Ancient Romans," Edmund A. Pratt . 522
"Underground Exhaust Duct Eliminates Inconveniences of Overhead System" . . . 18

PIPELINES
"Cathodic Protection of Steel Underground Structures Demonstrated by Tests" . . 511
Gas pipeline to parallel Big Inch 256
Gas pipeline capacity augmented 471
To carry gas under Mississippi 802

PORTS AND MARITIME STRUCTURES
Causes of harbor sinking studied 725
Port Authority plan for Hudson waterfront 256
"Precast Concrete Units Simplify Construction of West Coast Marine Structures," Ben C. Gerwick 512
Steel H-Piles and Pipe Bents Support Deep-Water Drilling Platform," C. Glenn Cappel 446

POWER PLANTS
Contracts for Soo Project let 599
E. L. Grant's address on at Seattle Convention 529
"Economies in Design, Construction and Operation Control Rising Costs of Hydro Power," M. G. Salzman . . . 221
Discussion, "Rise in Power Generating Costs Calls for Restudy of Undeveloped Hydroelectric Sites," G. R. Strandberg 225
Discussion, "World Economic Conditions Favor Hydroelectric Power Generation," L. F. Harza and J. I. Metcalf . 226
Closure, "Rise in Fuel Costs Stimulates World-Wide Hydro Development," M. G. Salzman 227
Last major bid asked on Soo Project . . . 187
"New Unit Increases Generating Capacity at Grand Coulee Dam" 345
"Progressive Engineering Offsets Increased Costs of Steam-Electric Power Generation," Edwin H. Krieg 212
Discussion, "Economies in Cost of Structures Minimize Steam-Generated Energy Output Costs," Louis Elliott. . . . 216
Discussion, "Plant Design Presents Opportunity to Control Mounting Steam Power Generation Costs," William F. Ryan 218
"Uruguay's Rincon del Bonete Project Supplies Country's First Hydro Power," Luis Giorgi 14
